

LEONARDO DA VINCI PARTNERSHIPS

“THERMOVALorisations”

(Practice and Careers)

Monday 11th October to Friday 15th October 2010

Work targets for the seminar « THERMOVALorisations » in Souillac in France :

Each delegation will

- perform an EPD on the same apartment
- input their EPD data into their own software (for example DPE WIN for France)
- present the results to all delegations

In different workshops all delegation experts will

- analyse the differences
- draw up an operating mode for the EPD^{IR+} (EPD + INFRARED)
- work on the elaboration of the contents of a European vocational training common to the job of EPD diagnostician.
